30 May 2018

Dear Customer

**Pulham Market & Pulham St Mary- Burst Mains**

We are writing to give you an update on our on going works. As you know, we are replacing the existing water main in the area as it has come to the end of its useful life.

To ensure the safety of our workers, the community and road users; we will be closing Station Road in Pulham Market. This closure will begin by Walnut Cottage and finish by Rectory House.

**What this means to you and your community**

This closure will be in place from the 11<sup>th</sup> till the 17<sup>th</sup> of June and has been previously agreed with highways to ensure we have the least possible customer impact. Diversion signs will be in place and scheme boards at either end of the works will communicate any necessary information relating to the scheme.

This will be the final part of our scheme and aim to end by 17<sup>th</sup> June 2018. Reinstatement will take place upon completion.

**Contact us**

If you have any queries, please contact our 24-hour customer helpline on 03457 145 145 and quote the reference number at the top of this letter. Information can also be found on our "In Your Area" website at [www.anglianwater.co.uk/yourarea](http://www.anglianwater.co.uk/yourarea)

Thank you in advance for your patience and co-operation whilst we carry out this important work.

Yours sincerely

*Natasha Tuke*
